Subject: Support for Lynn Canal Road Access

My name is Andy Meiners, I am 43 yrs old. I have lived in Juneau my entire life, my wife was born in Juneau and we have 3 children. It is extremely important to long term economic stability and growth of Juneau to have road access. I would like my children to be able to call Juneau home as I have. The fact of the matter is that there are very few professional level jobs capable of supporting a family outside of the governmental sector in Juneau and therefore the children of Juneau are choosing to live elsewhere. This is a sad fact and supports the notion that Juneau has a stagnant population.

Therefore please provide full funding for the road access to Juneau.

Thank you

Andy Meiners.
